Approved by-law changes.

Current by-law (12/2022)

Article II Meeting of Members

Section 1. MONTHLY MEETING: Monthly meetings shall be held on a date and time decided by the membership. No notice of such meetings shall be required except when a vote for officers, by-law change, removal of a Director, or a vote on termination or disciplinary action of a member is taken.

Section 2. Quorum: Forty-five (45) members or Thirty-three (33) percent of the full membership (whichever is less) shall constitute a quorum for the transaction of business, but a small number may adjourn to a sequent date. Each full member shall be entitled to vote in person. The secretary shall conduct a count at each meeting and announce whether a quorum is present before votes are taken. A majority vote of the members present and voting shall be required to pass a motion of ordinary business. All motions passed by vote of the membership shall be published in the next issue of the club newsletter.

Exceptions:

a. There will be no quorum requirement for voting probationary members into full membership. All probationary requirements must be fulfilled as defined in Article III, Section 1.

b. There will be no quorum requirement for an applicant seeking reinstatement.

Approved changes in bold below (new exceptions)

c. Ordinary business: In the event a quorum is not present for ordinary business, a motion may be made and seconded with discussion, no vote will be taken at that meeting. Rather the motion and summary of discussion will be published in the monthly newsletter. At the next monthly meeting, the motion will be brought up under old business and, after further discussion, will be voted on and decided by majority vote of the members present, regardless if a quorum is present. This exception does not apply to by-law changes, which still require a full quorum as defined in this Article II, Section 2.

d. Election of officers: Officers nominated at the May meeting will be published in the May newsletter, to be voted on at the June meeting (as described in Article IV, Section 9). The previously nominated officers can be elected at the June meeting by a majority vote, regardless if there is a quorum present in the June meeting. In the event a position was not filled in the May meeting and a quorum is not present in June, the board will appoint someone to fill the position for the term.

e. Approval of budget: The budget is presented at the August meeting. In the event there is not a quorum at the August meeting, a summary of the budget will be published in the newsletter. The budget will be voted on and decided by the majority of members present at the next meeting, regardless if a quorum is present or not. The treasurer will pay regular operating expenses only, until a budget is approved.
